Assembly convened:

1 Section 1. Section 10a-77 of the general statutes is repealed and the
2 following is substituted in lieu thereof (*Effective October 1, 2013*):

4 of the Community-Technical Colleges shall fix fees for tuition at the
5 regional community-technical colleges and shall fix fees for such other
6 purposes as the board deems necessary at the regional community-
7 technical colleges, and may make refunds to the same.

8 (b) The Board of Trustees of the Community-Technical Colleges
9 shall establish and administer a fund to be known as the Regional
10 Community-Technical Colleges Operating Fund. Appropriations from
11 general revenues of the state and, upon request by the board and with
12 an annual review and approval by the Secretary of the Office of Policy
13 and Management, the amount of the appropriations for fringe benefits
14 and workers' compensation applicable to the community-technical

15 colleges pursuant to subsection (a) of section 4-73, shall be transferred
16 from the Comptroller, and all tuition revenue received by the regional
17 community-technical colleges in accordance with the provisions of
18 subsection (a) of this section shall be deposited in said fund. Income
19 from student fees or related charges; the proceeds of auxiliary activities
20 and business enterprises, gifts and donations; federal funds and grants
21 for purposes other than research, and all receipts derived from the
22 conduct by the colleges of their education extension programs and
23 summer school sessions shall be credited to said fund but shall be
24 allocated to the central office and institutional operating accounts
25 which shall be established and maintained for the central office and
26 each community-technical college. If the Secretary of the Office of
27 Policy and Management disapproves such transfer, the secretary may
28 require the amount of the appropriation for operating expenses to be
29 used for personal services and fringe benefits to be excluded from said
30 fund. The State Treasurer shall review and approve the transfer prior
31 to such request by the board of trustees. The board shall establish an
32 equitable policy for allocation of appropriations from general revenues
33 of the state, fringe benefits transferred from the Comptroller and
34 tuition revenue deposited in the Regional Community-Technical
35 Colleges Operating Fund. At the beginning of each quarter of the fiscal
36 year, the board shall allocate and transfer, in accordance with said
37 policy, moneys for expenditure in such institutional operating
38 accounts, exclusive of amounts retained for central office operations
39 and reasonable reserves for future distribution. All costs of waiving or
40 remitting tuition pursuant to subsection [(f)] (h) of this section shall be
41 charged to the Regional Community-Technical Colleges Operating
42 Fund. Repairs, alterations or additions to facilities supported by
43 operating funds and costing one million dollars or more shall require
44 the approval of the General Assembly, or when the General Assembly
45 is not in session, of the Finance Advisory Committee. Any balance of
46 receipts above expenditures shall remain in said fund, except such
47 sums as may be required for deposit into a debt service fund or the
48 General Fund for further payment by the Treasurer of debt service on
49 general obligation bonds of the state issued for purposes of

50 community-technical colleges.

51 (c) Commencing December 1, 1984, and thereafter not later than
52 sixty days after the close of each quarter, the board of trustees shall
53 submit to the joint standing committee of the General Assembly
54 having cognizance of matters relating to appropriations and the
55 budgets of state agencies and the Office of Policy and Management a
56 report on the actual expenditures of the Regional Community-
57 Technical Colleges Operating Fund.

58 (d) Said board of trustees shall waive the payment of tuition at any
59 of the regional community-technical colleges for (1) [for] any
60 dependent child of a person whom the armed forces of the United
61 States has declared to be missing in action or to have been a prisoner of
62 war while serving in such armed forces after January 1, 1960, which
63 child has been accepted for admission to such institution and is a
64 resident of Connecticut at the time such child is accepted for admission
65 to such institution, (2) [subject to the provisions of subsection (e) of this
66 section, for any veteran who performed service in time of war, as
67 defined in subsection (a) of section 27-103, except that for purposes of
68 this subsection, "service in time of war" shall not include time spent in
69 attendance at a military service academy, who has been accepted for
70 admission to such institution and is domiciled in this state at the time
71 such veteran is accepted for admission to such institution, (3) for] any
72 resident of Connecticut sixty-two years of age or older, provided, at
73 the end of the regular registration period, there are enrolled in the
74 course a sufficient number of students other than those persons
75 eligible for waivers pursuant to this subdivision to offer the course in
76 which such person intends to enroll and there is space available in
77 such course after accommodating all such students, [(4) for] (3) any
78 student attending the Connecticut State Police Academy who is
79 enrolled in a law enforcement program at said academy offered in
80 coordination with a regional community-technical college which
81 accredits courses taken in such program, [(5) for any active member of
82 the Connecticut Army or Air National Guard who (A) has been

83 certified by the Adjutant General or such Adjutant General's designee
 84 as a member in good standing of the guard, and (B) is enrolled or
 85 accepted for admission to such institution on a full-time or part-time
 86 basis in an undergraduate degree-granting program, (6) for] (4) any
 87 dependent child of a (A) police officer, as defined in section 7-294a, or
 88 supernumerary or auxiliary police officer, (B) firefighter, as defined in
 89 section 7-323j, or member of a volunteer fire company, (C) municipal
 90 employee, or (D) state employee, as defined in section 5-154, killed in
 91 the line of duty, [(7) for] (5) any resident of the state who is a
 92 dependent child or surviving spouse of a specified terrorist victim who
 93 was a resident of this state, [(8) for] (6) any dependent child of a
 94 resident of the state who was killed in a multivehicle crash at or near
 95 the intersection of Routes 44 and 10 and Nod Road in Avon on July 29,
 96 2005, and [(9) for] (7) any resident of the state who is a dependent child
 97 or surviving spouse of a person who was killed in action while
 98 performing active military duty with the armed forces of the United
 99 States on or after September 11, 2001, and who was a resident of this
 100 state. [If any person who receives a tuition waiver in accordance with
 101 the provisions of this subsection also receives educational
 102 reimbursement from an employer, such waiver shall be reduced by the
 103 amount of such educational reimbursement. Veterans described in
 104 subdivision (2) of this subsection and members of the National Guard
 105 described in subdivision (5) of this subsection shall be given the same
 106 status as students not receiving tuition waivers in registering for
 107 courses at regional community-technical colleges. Notwithstanding the
 108 provisions of section 10a-30, as used in this subsection, "domiciled in
 109 this state" includes domicile for less than one year.]

110 (e) Said board of trustees shall waive the payment of tuition and of
 111 extension fees for educational extension programs and summer school
 112 sessions at any of the regional community-technical colleges (1) subject
 113 to the provisions of subsection (g) of this section, for any veteran who
 114 (A) performed service in time of war, (B) has been accepted for
 115 admission to such institution, and (C) was domiciled in this state at the
 116 time such veteran was accepted for admission to such institution, and

117 (2) for any active member of the Connecticut Army or Air National
 118 Guard who (A) has been certified by the Adjutant General or such
 119 Adjutant General's designee as a member in good standing of the
 120 guard, and (B) is enrolled or accepted for admission to such institution
 121 on a full-time or part-time basis in an undergraduate degree-granting
 122 program. Veterans and members of the National Guard described in
 123 this subsection shall be given the same status as students not receiving
 124 tuition waivers in registering for courses at regional community-
 125 technical colleges. Notwithstanding the provisions of section 10a-30, as
 126 used in this subsection, "domiciled in this state" includes domiciled for
 127 less than one year. For purposes of this subsection, "service in time of
 128 war" has the same meaning as provided in subsection (a) of section 27-
 129 103, except that it does not include time spent in attendance at a
 130 military service academy.

131 (f) If any person who receives a tuition or extension fee waiver in
 132 accordance with the provisions of subsection (d) or (e) of this section
 133 also receives educational reimbursement from an employer, such
 134 waiver shall be reduced by the amount of such educational
 135 reimbursement.

136 [(e)] (g) (1) If any veteran described in subsection [(d)] (e) of this
 137 section has applied for federal educational assistance under the Post-
 138 9/11 Veterans Educational Assistance Act of 2008, the board of trustees
 139 shall waive the payment of tuition and extension fees at any of the
 140 regional community-technical colleges for such veteran in accordance
 141 with subdivision (2) of this subsection. If any such veteran certifies to
 142 said board that such veteran's application for such federal educational
 143 assistance has been denied or withdrawn, said board of trustees shall
 144 waive the payment of tuition and extension fees in accordance with
 145 subsection [(d)] (e) of this section.

146 (2) (A) For purposes of this subdivision, "veteran tuition benefit"
 147 means the portion of federal educational assistance under the Post-
 148 9/11 Veterans Educational Assistance Act of 2008 to be paid to a
 149 regional community-technical college on behalf of a veteran that

150 represents payment for tuition and extension fees, as described in
 151 subsection (b) of section 10a-26. Such portion shall be calculated by
 152 multiplying (i) the total amount of such federal educational assistance
 153 to be paid to a regional community-technical college on behalf of such
 154 veteran by (ii) an amount obtained by dividing (I) the actual tuition
 155 and extension fees charged by such college to such veteran by (II) the
 156 sum of the actual tuition, extension fees and other fees charged by such
 157 college to such veteran.

158 (B) Said board of trustees shall waive the payment of tuition and
 159 extension fees in excess of the veteran tuition benefit at any of the
 160 regional community-technical colleges for such veteran.

161 [(f)] (h) Said board of trustees shall set aside from its anticipated
 162 regional community-technical college tuition revenue, an amount not
 163 less than that required by said board's tuition policy. Such funds shall
 164 be used to provide tuition waivers, tuition remissions, grants for
 165 educational expenses and student employment for residents enrolled
 166 in regional community-technical colleges as full or part-time
 167 matriculated students in a degree-granting program, or enrolled in a
 168 precollege remedial program, who demonstrate substantial financial
 169 need. Said board may also set aside from its anticipated tuition
 170 revenue an additional amount equal to one per cent of said tuition
 171 revenue for financial assistance for students who would not otherwise
 172 be eligible for financial assistance but who do have a financial need as
 173 determined by the college in accordance with this subsection. In
 174 determining such financial need, the college shall exclude the value of
 175 equity in the principal residence of the student's parents or legal
 176 guardians, or in the student's principal residence if the student is not
 177 considered to be a dependent of his parents or legal guardians and
 178 shall assess the earnings of a dependent student at the rate of thirty per
 179 cent.

180 [(g)] (i) The Regional Community-Technical Colleges Operating
 181 Fund shall be reimbursed for the amount by which the tuition and
 182 extension fee waivers granted under [subsection] subsections (d) and

183 (e) of this section exceed five per cent of tuition revenue through an
 184 annual state appropriation. The board of trustees shall request such an
 185 appropriation and said appropriation shall be based upon an estimate
 186 of tuition and extension fee revenue loss using tuition and extension
 187 fee rates in effect for the fiscal year in which such appropriation will
 188 apply.

189 [(h)] (j) Said board of trustees shall allow any student who is a
 190 member of the armed forces called to active duty during any semester
 191 to enroll in any course for which such student had remitted tuition but
 192 which was not completed due to active duty status. Such course
 193 reenrollment shall be offered to any qualifying student for a period not
 194 exceeding four years after the date of release from active duty without
 195 additional tuition, student fee or related charge, except if such student
 196 has been fully reimbursed for the tuition, fees and charges for the
 197 course that was not completed.

198 Sec. 2. Section 10a-99 of the general statutes is repealed and the
 199 following is substituted in lieu thereof (*Effective October 1, 2013*):

200 (a) Subject to the provisions of section 10a-26, the Board of Trustees
 201 of the Connecticut State University System shall fix fees for tuition and
 202 shall fix fees for such other purposes as the board deems necessary at
 203 the university, and may make refunds of the same.

204 (b) The Board of Trustees of the Connecticut State University
 205 System shall establish and administer a fund to be known as the
 206 Connecticut State University System Operating Fund. Appropriations
 207 from general revenues of the state and upon request by the
 208 Connecticut State University System and with the annual review and
 209 approval by the Secretary of the Office of Policy and Management, the
 210 amount of the appropriations for fringe benefits pursuant to
 211 subsection (a) of section 4-73, shall be transferred from the State
 212 Comptroller and all tuition revenue received by the Connecticut State
 213 University System in accordance with the provisions of subsection (a)
 214 of this section shall be deposited in said fund. Income from student

215 fees or related charges, the proceeds of auxiliary activities and business
216 enterprises, gifts and donations, federal funds and grants, subject to
217 the provisions of sections 10a-98 to 10a-98g, inclusive, and all receipts
218 derived from the conduct by a state university of its education
219 extension program and its summer school session shall be credited to
220 said fund but shall be allocated to the central office and institutional
221 operating accounts which shall be established and maintained for the
222 central office and each state university. Any such gifts and donations,
223 federal funds and grants for purposes of research shall be allocated to
224 separate accounts within such central office and institutional operating
225 accounts. If the Secretary of the Office of Policy and Management
226 disapproves such transfer, he may require the amount of the
227 appropriation for operating expenses to be used for personal services
228 and fringe benefits to be excluded from said fund. The State Treasurer
229 shall review and approve the transfer prior to such request by the
230 university. The board of trustees shall establish an equitable policy for
231 allocation of appropriations from general revenues of the state, fringe
232 benefits transferred from the State Comptroller and tuition revenue
233 deposited in the Connecticut State University System Operating Fund.
234 At the beginning of each quarter of the fiscal year, the board shall
235 allocate and transfer, in accordance with said policy, moneys for
236 expenditure in such institutional operating accounts, exclusive of
237 amounts retained for central office operations and reasonable reserves
238 for future distribution. All costs of waiving or remitting tuition
239 pursuant to subsection [(f)] (h) of this section shall be charged to the
240 Connecticut State University System Operating Fund. Repairs,
241 alterations or additions to facilities supported by the Connecticut State
242 University System Operating Fund and costing one million dollars or
243 more shall require the approval of the General Assembly, or when the
244 General Assembly is not in session, of the Finance Advisory
245 Committee. Any balance of receipts above expenditures shall remain
246 in said fund, except such sums as may be required for deposit into a
247 debt service fund or the General Fund for further payment by the
248 Treasurer of debt service on general obligation bonds of the state
249 issued for purposes of the Connecticut State University System.

250 (c) Commencing December 1, 1984, and thereafter not later than
 251 sixty days after the close of each quarter, the board of trustees shall
 252 submit to the joint standing committee of the General Assembly
 253 having cognizance of matters relating to appropriations and the
 254 budgets of state agencies and the Office of Policy and Management a
 255 report on the actual expenditures of the Connecticut State University
 256 System Operating Fund.

257 (d) Said board of trustees shall waive the payment of tuition [fees] at
 258 the Connecticut State University System for (1) [for] any dependent
 259 child of a person whom the armed forces of the United States has
 260 declared to be missing in action or to have been a prisoner of war
 261 while serving in such armed forces after January 1, 1960, which child
 262 has been accepted for admission to such institution and is a resident of
 263 Connecticut at the time such child is accepted for admission to such
 264 institution, (2) [subject to the provisions of subsection (e) of this
 265 section, for any veteran who performed service in time of war, as
 266 defined in subsection (a) of section 27-103, except that for purposes of
 267 this subsection, "service in time of war" shall not include time spent in
 268 attendance at a military service academy, who has been accepted for
 269 admission to such institution and is domiciled in this state at the time
 270 such veteran is accepted for admission to such institution, (3) for] any
 271 resident of Connecticut sixty-two years of age or older who has been
 272 accepted for admission to such institution, provided (A) such person is
 273 enrolled in a degree-granting program, or (B) at the end of the regular
 274 registration period, there are enrolled in the course a sufficient number
 275 of students other than those persons eligible for waivers pursuant to
 276 this subdivision to offer the course in which such person intends to
 277 enroll and there is space available in such course after accommodating
 278 all such students, [(4) for] (3) any student attending the Connecticut
 279 Police Academy who is enrolled in a law enforcement program at said
 280 academy offered in coordination with the university which accredits
 281 courses taken in such program, [(5) for any active member of the
 282 Connecticut Army or Air National Guard who (A) has been certified
 283 by the Adjutant General or such Adjutant General's designee as a

284 member in good standing of the guard, and (B) is enrolled or accepted
 285 for admission to such institution on a full-time or part-time basis in an
 286 undergraduate or graduate degree-granting program, (6) for] (4) any
 287 dependent child of a (A) police officer, as defined in section 7-294a, or
 288 supernumerary or auxiliary police officer, (B) firefighter, as defined in
 289 section 7-323j, or member of a volunteer fire company, (C) municipal
 290 employee, or (D) state employee, as defined in section 5-154, killed in
 291 the line of duty, [(7) for] (5) any resident of this state who is a
 292 dependent child or surviving spouse of a specified terrorist victim who
 293 was a resident of the state, [(8) for] (6) any dependent child of a
 294 resident of the state who was killed in a multivehicle crash at or near
 295 the intersection of Routes 44 and 10 and Nod Road in Avon on July 29,
 296 2005, and [(9) for] (7) any resident of the state who is a dependent child
 297 or surviving spouse of a person who was killed in action while
 298 performing active military duty with the armed forces of the United
 299 States on or after September 11, 2001, and who was a resident of this
 300 state. [If any person who receives a tuition waiver in accordance with
 301 the provisions of this subsection also receives educational
 302 reimbursement from an employer, such waiver shall be reduced by the
 303 amount of such educational reimbursement. Veterans described in
 304 subdivision (2) of this subsection and members of the National Guard
 305 described in subdivision (5) of this subsection shall be given the same
 306 status as students not receiving tuition waivers in registering for
 307 courses at Connecticut state universities. Notwithstanding the
 308 provisions of section 10a-30, as used in this subsection, "domiciled in
 309 this state" includes domicile for less than one year.]

310 (e) Said board of trustees shall waive the payment of tuition and of
 311 extension fees for educational extension programs and summer school
 312 sessions at any of the regional community-technical colleges (1) subject
 313 to the provisions of subsection (g) of this section, for any veteran who
 314 (A) performed service in time of war, (B) has been accepted for
 315 admission to such institution, and (C) was domiciled in this state at the
 316 time such veteran was accepted for admission to such institution, and
 317 (2) for any active member of the Connecticut Army or Air National

318 Guard who (A) has been certified by the Adjutant General or such
 319 Adjutant General's designee as a member in good standing of the
 320 guard, and (B) is enrolled or accepted for admission to such institution
 321 on a full-time or part-time basis in an undergraduate degree-granting
 322 program. Veterans and members of the National Guard described in
 323 this subsection shall be given the same status as students not receiving
 324 tuition waivers in registering for courses at regional community-
 325 technical colleges. Notwithstanding the provisions of section 10a-30, as
 326 used in this subsection, "domiciled in this state" includes domiciled for
 327 less than one year. For purposes of this subsection, "service in time of
 328 war" has the same meaning as provided in subsection (a) of section 27-
 329 103, except that it does not include time spent in attendance at a
 330 military service academy.

331 (f) If any person who receives a tuition or extension fee waiver in
 332 accordance with the provisions of subsection (d) or (e) of this section
 333 also receives educational reimbursement from an employer, such
 334 waiver shall be reduced by the amount of such educational
 335 reimbursement.

336 [(e)] (g) (1) If any veteran described in subsection [(d)] (e) of this
 337 section has applied for federal educational assistance under the Post-
 338 9/11 Veterans Educational Assistance Act of 2008, the board of trustees
 339 shall waive the payment of tuition and extension fees, at the
 340 Connecticut State University System for such veteran in accordance
 341 with subdivision (2) of this subsection. If any such veteran certifies to
 342 said board that such veteran's application for such federal educational
 343 assistance has been denied or withdrawn, said board of trustees shall
 344 waive the payment of tuition and extension fees in accordance with
 345 subsection [(d)] (e) of this section.

346 (2) (A) For purposes of this subdivision, "veteran tuition benefit"
 347 means the portion of federal educational assistance under the Post-
 348 9/11 Veterans Educational Assistance Act of 2008 to be paid to the
 349 Connecticut State University System on behalf of a veteran that
 350 represents payment for tuition and extension fees, as described in

351 subsection (b) of section 10a-26. Such portion shall be calculated by
 352 multiplying (i) the total amount of such federal educational assistance
 353 to be paid to the Connecticut State University System on behalf of such
 354 veteran by (ii) an amount obtained by dividing (I) the actual tuition
 355 and extension fees charged by the Connecticut State University System
 356 to such veteran by (II) the sum of the actual tuition, extension fees and
 357 other fees charged by the Connecticut State University System to such
 358 veteran.

 360 extension fees in excess of the veteran tuition benefit at the Connecticut
 361 State University System for such veteran.

362 [(f)] (h) Said board of trustees shall set aside from its anticipated
 363 tuition revenue, an amount not less than that required by the board of
 364 governors' tuition policy established under subdivision (3) of
 365 subsection (a) of section 10a-6. Such funds shall be used to provide
 366 tuition waivers, tuition remissions, grants for educational expenses
 367 and student employment for any undergraduate or graduate student
 368 who is enrolled as a full or part-time matriculated student in a degree-
 369 granting program, or enrolled in a precollege remedial program, and
 370 who demonstrates substantial financial need. Said board may also set
 371 aside from its anticipated tuition revenue an additional amount equal
 372 to one per cent of said tuition revenue for financial assistance for
 373 students who would not otherwise be eligible for financial assistance
 374 but who do have a financial need as determined by the university in
 375 accordance with this subsection. In determining such financial need,
 376 the university shall exclude the value of equity in the principal
 377 residence of the student's parents or legal guardians, or in the student's
 378 principal residence if the student is not considered to be a dependent
 379 of his parents or legal guardians and shall assess the earnings of a
 380 dependent student at the rate of thirty per cent.

381 [(g)] (i) The Connecticut State University System Operating Fund
 382 shall be reimbursed for the amount by which the tuition and extension
 383 fee waivers granted under [subsection] subsections (d) and (e) of this

384 section exceed two and one-half per cent of tuition revenue through an
 385 annual state appropriation. The board of trustees shall request such an
 386 appropriation and said appropriation shall be based upon an estimate
 387 of tuition and extension fee revenue loss using tuition and extension
 388 fee rates in effect for the fiscal year in which such appropriation will
 389 apply.

390 [(h)] (j) Said board of trustees shall allow any student who is a
 391 member of the armed forces called to active duty during any semester
 392 to enroll in any course for which such student had remitted tuition but
 393 which was not completed due to active duty status. Such course
 394 reenrollment shall be offered to any qualifying student for a period not
 395 exceeding four years after the date of release from active duty without
 396 additional tuition, student fee or related charge, except if such student
 397 has been fully reimbursed for the tuition, fees and charges for the
 398 course that was not completed.

399 Sec. 3. Section 10a-105 of the general statutes is repealed and the
 400 following is substituted in lieu thereof (*Effective October 1, 2013*):

401 (a) Subject to the provisions of sections 10a-8 and 10a-26, the Board
 402 of Trustees of The University of Connecticut shall fix fees for tuition
 403 and shall fix fees for such other purposes as the board deems necessary
 404 at The University of Connecticut, and may make refunds of the same.

405 (b) The Board of Trustees of The University of Connecticut shall
 406 establish and administer a fund to be known as The University of
 407 Connecticut Operating Fund, and in addition, may establish a Special
 408 External Gift Fund, and an endowment fund, as defined in section 10a-

417 accordance with the provisions of subsection (a) of this section, income
418 from student fees or related charges, the proceeds of auxiliary activities
419 and business enterprises, gifts and donations, federal funds and grants
420 for purposes other than research and all receipts derived from the
421 conduct by The University of Connecticut of its education extension
422 program and its summer school session, except funds received by The

549 reimbursement.

550 [(f)] (h) (1) If any veteran described in subsection [(e)] (f) of this

551 section has applied for federal educational assistance under the Post-

 563 University of Connecticut on behalf of a veteran that represents
 564 payment for tuition and extension fees, as described in subsection (b)
 565 of section 10a-26. Such portion shall be calculated by multiplying (i)
 566 the total amount of such federal educational assistance to be paid to
 567 The University of Connecticut on behalf of such veteran by (ii) an
 568 amount obtained by dividing (I) the actual tuition and extension fees
 569 charged by The University of Connecticut to such veteran by (II) the
 570 sum of the actual tuition, extension fees and other fees charged by The
 571 University of Connecticut to such veteran.

572 (B) Said board of trustees shall waive the payment of tuition and
 573 extension fees in excess of the veteran tuition benefit at The University
 574 of Connecticut for such veteran.

575 [(g)] (i) Said board of trustees shall set aside from its anticipated
 576 tuition revenue, an amount not less than that required by the board of
 577 governors' tuition policy established under subdivision (3) of

 579 tuition waivers, tuition remissions, grants for educational expenses
 580 and student employment for any undergraduate, graduate or
 581 professional student who is enrolled as a full or part-time matriculated

 583 remedial program, and who demonstrates substantial financial need.

584 Said board may also set aside from its anticipated tuition revenue an
 585 additional amount equal to one per cent of said tuition revenue for
 586 financial assistance for students who would not otherwise be eligible
 587 for financial assistance but who do have a financial need as determined
 588 by the university in accordance with this subsection. In determining
 589 such financial need, the university shall exclude the value of equity in
 590 the principal residence of the student's parents or legal guardians, or in
 591 the student's principal residence if the student is not considered to be a
 592 dependent of his parents or legal guardians and shall assess the
 593 earnings of a dependent student at the rate of thirty per cent.

594 [(h)] (j) The University of Connecticut Operating Fund shall be
 595 reimbursed for the amount by which tuition and extension fee waivers
 596 granted under [subsection] subsections (e) and (f) of this section exceed
 597 two and one-half per cent of tuition revenue through an annual state
 598 appropriation. The board of trustees shall request such an
 599 appropriation and said appropriation shall be based upon an estimate
 600 of tuition and extension fee revenue loss using tuition and extension
 601 fee rates in effect for the fiscal year in which such appropriation will
 602 apply.

603 [(i)] (k) Said board of trustees shall grant remission or waiver of
 604 tuition for graduate assistants at the university. Assistantship
 605 payments to graduate assistants shall not be considered salaries and
 606 wages under the provisions of section 3-119, and shall be paid
 607 according to a schedule prescribed by the university and approved by
 608 the State Comptroller.

609 [(j)] (l) Said board of trustees shall allow any student who is a
 610 member of the armed forces called to active duty during any semester
 611 to enroll in any course for which such student had remitted tuition but
 612 which was not completed due to active duty status. Such course
 613 reenrollment shall be offered to any qualifying student for a period not
 614 exceeding four years after the date of release from active duty without
 615 additional tuition, student fee or related charge, except if such student
 616 has been fully reimbursed for the tuition, fees and charges for the

617 course that was not completed.
